PERSONAL AND CONFIDENTIAL

Dear Al,

Copies of letters and record I promised. Roy Clark is the District Executive.

Heath was Pack Chairman, Pack 40, Boulevard Methodist Church, Binghamton.

The meeting with Rev. Sweet and the chairman of his Church Board with Clark, myself, John Thomas and Burr Craft, Council Executive Board members, legal advisor, and Council Vice President, happened within two days of Roy's involvement in the situation. I suggested that Roy have the Pack committee, including leadership visit with the Pastor and state their feelings about their committee chairman. Instead, Roy found he was to meet with the Pastor. I gathered the two Board members and we attended with Clark. We did not show the records, etc., of Heath or state we had an attorney present. We discussed the situation. The Church talked rehabilitation, we talked boys and program. It was decided that Heath would be contacted by a Pack representative and Sponsor Coordinator and told that the Pack Committee felt it would be advantageous to have a father of one of the Cubs as Pack committee chairman; Roy would be in the background. Heath called a Den Mother before 8:30 A.M. next morning and told her about the previous night and how he was being persecuted. The Den Mother called Roy at 8:30 A.M. that morning. We then received the letter of resignation. It appears the only one he told of his past record was the Pastor. He states he told "you people", but I cannot find who they are. Pack was newly-organized about seven months ago by the Associate District Executive.

I understand Heath and wife quit their jobs in the church, he as custodian and she as secretary. There are a few people who told Roy they felt the situation could have been handled a better way, but at present no real outcries of any sort. Notice in last Saturday's paper reported accident involving Heath and wife in Chenango County, she is supposedly still in hospital there.

Certainly believe he should be put on file home office. What can we do to further accomplish this.

Sorry for the long dissertation, but believe we need a record of events.

Warm regards,

  
James E. Corey  
Council Executive

Dear Mr. Heath,

Received your letter of September 28 regarding your resignation as Chairman of Pack 40. Reverend Sweet, as head of the sponsoring institution, should be the recipient of your letter as he signs the Pack Charter approving of its leadership and any changes. We will see that he receives the letter.

Honesty is the best policy but I am not sure why you feel the action taken showed anything else. No one went behind your back or attempted in any way to create a problem for you.

Proper procedure was followed, a meeting set with the head of the sponsoring institution who owns the unit and the result was that it was felt it would be more advantageous to have a parent of one of the boys in the Pack be the Pack Chairman. Members of the Pack, Church and Council were to meet with you and suggest this is the action to be taken. However, your call to a Den Mother gave no opportunity to follow through with this plan.

Our purpose is to provide a program for boys that will help them in their growth towards good citizenship and to build desirable qualities of character. Again, there was no attempt made to create any problems for you.

Sincerely,

Roy K. Clark

To Whom it May Concern:

Due to circumstances that I am finding out, I feel that I can no longer be Chairman of your Cub Scout. Reason - I thought that honesty was the best policy and before I took this job as Chairman of the Cub Scouts I was honest enough to tell you people about my past. Yet, you felt that you had to go behind my back through some women whose husband might be a detective on the Binghamton Police Force in order to create problems for me. I would have been more than pleased to resign if I had of been asked.

Yours sincerely,
